Ringling School Wellness Policy Assessment Implementation

The development and implementation of the local wellness policy is currently in progress. School administrators and members of the Healthy & Fit Advisory Committee are working towards developing and implementing the local school wellness policy. Implementation is an ongoing process throughout the school district.

Ringling School Wellness Policy Review and Update Policy

A Healthy & Fit School Advisory Committee is established. The committee will meet annually or more often as needed. As interest is shown, additional parents, community members and students may included for projects or discussion about the program development.
